## **GOOD DEED WINS BIG THANK YOU**

The second annual National Thank You Day will be held Monday, September 22, 2008, featuring a contest to search for one small deed that deserves one big thank you. The contest encourages people to remember and recognize the everyday acts of kindness shown to us by asking people to nominate someone whose good deed has gone a long way to help or inspire them. One grand prize winner will be awarded a thank you prize personally selected by his or her nominator with a value up to \$20,000. Details and entry forms are available at [www.nationalthankyouday.com](http://www.nationalthankyouday.com). The contest begins July 1, 2008 and runs through August 15, 2008. National Thank You Day is sponsored by merci® Finest Assortment of European Chocolates in collaboration with the Emily Post Institute.
